

The Ultimate Biohacker Wellness Planner

GLOWHAUSDIGITAL · LICENSE & THANK YOU

Thank you

...from our little studio to your wellness ritual.

You didn't just buy a planner — you claimed a private, beautiful home for the things you do to feel like yourself. We made every page of this by hand, and we're genuinely glad it's yours now.

If this makes your mornings calmer...

...a photo review on Etsy is the single kindest thing you can do for a small shop like ours. It takes about thirty seconds, and it's how other women find tools that actually respect them.

If something isn't right

Message us on Etsy **before** leaving a review — we answer fast and kindly, and we will make it right. A broken link, a page that won't print, a question about backing up your data: all of it, we're here.

With warmth, GlowHausDigital
