

License • The Ultimate Biohacker Operating System™

Personal Use License

Your purchase includes a lifetime, non-transferable license for personal use:

✓ You may

- Use the web app on all of your own devices, for yourself, your household members, and your pets
- Print the companion pages as many times as you like, for personal use
- Save, back up, and restore your own data freely
- Import printed-to-PDF pages into GoodNotes, Notability, or similar apps for your own use

✗ You may not

- Resell, redistribute, sublicense, or share the app link, files, or any part of this product
- Upload the files or printables for others to download (including "free" sharing sites)
- Use the designs, pages, or app to create products for sale
- Claim the work as your own

Commercial licensing — practitioners or coaches who'd like to share this system with clients: message us for a practitioner license.

This product is not affiliated with or endorsed by any pharmaceutical brand, supplement company, device maker, or provider named within — names appear solely for the buyer's personal organization.

This product is an organizational tool. It is not medical advice and is not a medical device.

Thank You

You didn't just buy a planner — you gave every protocol, symptom, supplement, and small brave ritual in your life a beautiful place to live. We're so glad you're here.

Three little favors:

1. **Bookmark your access link** (it's in your Welcome PDF) and install the app on your phone tonight — future-you will thank you at 6 a.m. with a syringe in one hand and coffee in the other.
2. **Export a backup this week.** Settings → Export backup. Thirty seconds; total peace of mind.
3. **If this made your life lighter, a ★★★★★ review means the world** to a small shop — and helps another woman in her "why is no one tracking all of this for me" era find it too.

Something not perfect? Message us on Etsy *before* leaving a review — we fix things fast, kindly, and personally.

Consistency over perfection, always.

— GlowHausDigital
